

# Gen-Eye Hot-Spot<sup>®</sup>

## Digital Pipe Locator

The new Gen-Eye Hot-Spot<sup>®</sup> pipe locator makes locating easier than ever. Its total field antenna array and on-screen icons lead you right to your target, without the long learning curve. Whether you're an experienced pro or a first time user, you can quickly locate inspection cameras, sondes, active power lines and utility lines with pinpoint accuracy. No need to interpret numbers and bar graphs.

- Easy to read display Icons - Lead you to your target. Auto backlight lets you locate in dimly lit areas.
- Total field antenna array - Allows you to locate from any direction. Tells you the lay of the pipe.
- Industry's most rugged locator - Its IP65 rating is the industry's highest for performing in dusty, dirty or wet jobsite conditions. Passed 1-meter drop test; screen passed 18" steel ball drop test.
- Superior Battery Life - Lasts approximately 30 hours - more than twice as long as others. Automatic shutdown feature saves power.
- Expanded Frequencies - Locates two sonde frequencies, two power frequencies and four line frequencies (with external transmitter).
- Simple, menu-based user interface - No need for multiple screens. Easy-to-access menus make it easier to use than other locators.
